

GRAND GUYOT POND

FISHING RULES

These internal rules must allow everyone to practice fishing in peace, while respecting the calm of the place, the surrounding nature, and the well-being of the fish. Any person who does not comply with these rules will be excluded from the Pond.

The Etang of the Grand Guyot is owned by Mr and Mrs MEURANT (SCI du Grand Guyot). Only the Meurant Family and their guests are authorized to fish there, as well as the tenants of the Gîtes les Bottrais.

Fishing is in NO KILL: release the fish, after taking a photo!!

Swimming is not allowed.

Fishing is permitted year-round.

Fishing hours: ½ hour before sunrise and up to ½ hour after sunset.

4 fishing rods maxi/pers. If you are away from the fishing station, you must take the rods out of the water. Artificial lures allowed (swimming-fish, spoon,...) with crushed pin. No waders, no float-tube.
Cooked seeds and priming allowed.

Mat or basin of reception obligatory wet, landing net and basket. No storage bag or bucket. Immediate release of the carp, white fish can be kept in an English basket, then released at the end of fishing.

The catfish, an invasive species, must be destroyed.

Hook without barbs or crush barbs.

Lures must be removed with care and delicacy.

For a hook stuck too deep in the throat, cut the line and put the fish back to the water.

Dogs are welcome but kept on a leash; the pond is not a place to swim!

Radios are prohibited.

Be careful in stormy weather, carbon rods attract lightning!

Presence of deep ditches : watch children!

Barbecue allowed in the places provided. Take all precautions regarding the risk of fire, especially in hot, dry and windy weather.

Empty the cold ashes into the container provided.

For the smokers, ashtrays are available at the entrance.

Traffic prohibited for all vehicles around the pond. Anglers and visitors must leave their vehicle in the carpark. Cyclists must get off their bike.

Toilets are available in the Reception Chalet. Thank you for leaving the place clean!

Please, take all your waste with you and leave your spot perfectly clean (especially cigarette butts, capsules, nylon, hooks, dog poop, and all rubbish...).

The glass dumpster is located up the road, next to the town hall.

The Pond is not a place to drink, respect other anglers!
